

# FLIPCHART WORKSHOP

EXPLORE YOUR CONTINGENT WORKFORCE OPTIONS WITH US **FOR FREE!**

## TITLE:

### **Contingent Workforce Program (CWP) for 1<sup>st</sup> Generation Program**

## DESCRIPTION:

**Is an MSP the smart way ahead to maximize your talent sourcing capability and minimize spend? Is it AFFORDABLE?**

This Flipchart Workshop is designed for organizations considering a Managed Service Provider (MSP) program to manage their contingent workforce supply-chain for the first time.

## TOPICS WE WALK THROUGH:

- Contingent Labor Landscape
- Best Practices and strategies
- Vendor Neutral Vs. Master Vendor
- MSP solutions and 'how to fund'
- VMS Demos and 'how to fund'
- Cost Savings
- Direct Sourcing: How to use the company brand to attract contingent labor talent
- Governance and Risk Management
- Analytics and KPIs – beyond just reporting
- Vendor Engagement & Management
- Maturity Modelling and Road-Mapping
- Independent Contractor Compliance
- Total Talent Management
- Payroll Solutions (candidates identified by your company)

## RESULTS TO EXPECT!

- Discover how to build a business case for a CWP: decreased cost, increased quality, and reduction of risk
- Learning and discovery of new contingent labor concepts – including many that can be immediately implemented!
- Eliminate existing blind spots and false concepts
- Build the internal business case and ROI
