

# WHITEBOARD WORKSHOP

EXPLORE YOUR MSP RENEWAL OPTIONS WITH US **FOR FREE!**

## TITLE:

### Contingent Workforce Program (CWP) options for a mature program

## DESCRIPTION:

**Organizations often question: 'Has our current provider evolved with the times?'**

This Whiteboarding Workshop is designed for early adopter organizations already operating a Managed Service Provider (MSP) program.

We provide you with the **outside-in perspective** needed re-visit the opportunities and aspirational goals of using an MSP approach to maximize contingent workforce talent sourcing and operations while seeking to minimize spend.

## TOPICS WE WALK THROUGH:

- Innovative solutions your MSP should be delivering – beyond the first few years of your program
- What is a **multichannel** sourcing strategy?
- On-demand platforms
- **Direct Sourcing:** Private Talent Pools for Reoccurring Requisitions
- **Statement of Work:** Upstream and downstream SOPs
- Does **Total Talent Management** work?

## RESULTS TO EXPECT!

- ✓ Quality the ability of your current MSP to meet future labor demands?
- ✓ Identify the innovative solutions that will drive down costs and improve the quality
- ✓ Discover how to leverage your brand influence to impact on talent sourcing potential and program spend
- ✓ See examples of the potential of actionable insights to drive performance
